

REMARKS

Claims 1 to 53 appear in this application for the Examiner's review and consideration. Claims 1 to 50 have been withdrawn, as being drawn to a non-elected invention. There is no issue of new matter.

Restriction was required under 35 U.S.C. §121 to one of:

- I. Claims 1-50, drawn to a device, and
- II. Claims 51-53, drawn to a compound.

In response, Applicants elect Group II, claims 51 to 53, drawn to a compound, for prosecution at this time.

Applicants submit that the entire application is in condition for allowance, an early notice of which would be appreciated. Should the Examiner not agree with Applicants' position, a personal or telephonic interview is respectfully requested to discuss any issues prior to the issuance of a further Office Action, and to expedite the allowance of the application.

No fee is believed to be due for the filing of this Response. Should any fees be due, however, please charge such fees to Deposit Account No. 11-0600.

Respectfully submitted,

KENYON & KENYON LLP
